

Stiff Income Tax Boosts Outlined To Start With Oct. 1

By FRANCIS M. LE MAY
WASHINGTON — (P)—Democrat and Republican apparently were ready to team up today to ram through the Senate Finance committee a \$3,000,000,000 boost in personal income taxes.

It means Uncle Sam may begin digging deeper into the pockets of over 50,000,000 taxpayers on October 1.

The increases may be as much as 20 per cent for many taxpayers.

The committee yesterday approved unanimously a \$1,500,000,000 annual boost in corporation

Autumn In Air Over Midwest

Grand Marais Area Near Freezing

CHICAGO — (P)—There was a touch of autumn in the air over the midwest today, with near freezing weather in parts of Michigan and Wisconsin.

A flow of cool Canadian air dipped temperatures to unseasonably low readings over the Great Lakes region. The mercury dipped to 33 above—one degree above freezing—at Grand Marais, Mich. It was near that mark at Land O'Lakes and Grantsburg, Wis., and several degrees below normal over other midwest areas. The cool air moved east and south into the Ohio valley from northern Illinois and northern Indiana.

Readings over other parts of the country were near seasonal levels. Hot weather continued in the Gulf states and in the far south-west.

Wet spots today were over parts of the Ohio valley, southern Michigan and in the plains area from western Kansas northward into the Dakotas.

Early Worker Held With Four Others In Detroit Theft Ring

DETROIT — (P)—Because William D. Brewer, 35, made a habit of getting to work early every day, he and four other men are held in what police called a \$10,000-a-year auto theft ring.

Officers said they found Brewer was stealing parts from the Thomas A. Doyle, super service station where he was employed, and turning them over to Ray Porter, 39, for resale.

They added that he delivered the parts to Porter before working hours began each day.

Brewer, Porter and James Ward, 60, admitted taking part in the conspiracy and were ordered held on larceny charges yesterday.

Frank Lee, 23, and George Sanders, 45, denied any wrongdoing. They were detained for investigation.

Baby Dead, Parents Badly Hurt In Auto Crash Near Conklin

MUSKOGON, Mich.—A baby was killed and its young parents were critically injured in an automobile collision northwest of Conklin last night.

The dead child was four-month-old Daniel Tison, son of Samuel and Mary Tison of Grand Rapids.

Tison, 22, suffered a possible broken neck and shock. His wife, 19, suffered a broken back. Both were taken to St. Mary's hospital at Grand Rapids.

Three persons in the second car escaped injury although thrown from the machine.

Weather

Truman Given Free Hand On War Controls

Senate Expected To Follow House Lead

By MARVIN L. ARROWSMITH
WASHINGTON — (P)—A sweeping House-approved grant of authority for President Truman to invoke wage-price-ratio controls moved today to the Senate, where Democratic leaders predicted defeat for efforts by some Republicans to whittle it down.

Administration leaders expressed confidence that the Senate next week will pass substantially the same kind of home front mobilization bill the House did yesterday by a rousing 383 to 12 vote.

No Strings Attached
The House bill would give Mr. Truman a free hand to put wage-price curbs and rationing into effect whenever he saw fit. The President did not ask for those anti-inflation powers, but he said he would be glad to get them without strings.

Mr. Truman declared only yesterday, however, that the time for use of such all-out mobilization authority was not yet in sight.

The House bill also authorizes other economic controls which the President did request.

Priorities Included
Those included allocation of scarce industrial materials, priority for defense contracts, and authority to requisition materials and to take over privately owned plants, if necessary.

The bill also would clear the way for a \$2,000,000,000 government loan program to spur defense production. And it authorizes consumer credit controls and real estate curbs on new building and major remodeling starting after Aug. 3.

The House passed its bill shortly after the Senate opened debate on its similar measure. A final Senate vote may come next Tuesday or Wednesday.

Communists Seize Pohang, South Korea Eastern Port

Military Steel Won't Disrupt Civilian Needs

Only 6 Percent Of Output Involved

By ELTON C. FAY
WASHINGTON — (P)—The military expects that even with the new rearmament program its "take" of steel will be no more than five or six per cent of the nation's production.

A munitions board official used this figure today to underline his expressed belief that it will be possible to produce the "hard-ware"—the planes, ships, tanks, guns and other weapons—asked for in President Truman's \$10,500,000,000 supplemental military request to Congress without any serious blow to the civilian economy.

Mills Near Capacity
The estimate on steel requirements represent the steel survey made by the munitions board of probable requirements under the rearmament program. The military's slice of steel production now is about four per cent.

Because the nation's steel mills now are at virtually 100 per cent of capacity, it is evident the increased demands of the military must come out of production now going to civilian consumption.

But the munitions official expresses the thought that much of it can be diverted from the mills without making inroads on important or actually necessary items. He comments that, as an example, slot machines aren't vital to civilian economy, but they use steel.

The board also expects it will be able to carry on the Korean war and go ahead with the rearmament program without digging into the nation's stockpile of strategic materials, which the munitions board has been building up for several years.

Stockpiles Untouched
The ammunition, tanks, planes and other equipment being rushed to the Korean front now are coming either from available equipment or being turned out in new production (an example is the 3.5-inch bazooka)—but none of the raw material for their manufacture comes from the strategic stockpile.

Under the storing-for-a-rainy-day program, the military is putting away the things which it thinks might be scarce should an all-out global war come. They are materials available now from parts of the world which might be cut off in a World War III.

Even in time of peace, it has been estimated it would take at least a year to get a UMT program in full operation.

Universal military training, unlike the draft, has never been regarded as a program for emergencies. Rather it contemplates the training—mental and physical as well as military—of all able youths. In time of emergency, the theory then is that they would require less basic training.

Senator Gurney (R-S.D.), former Armed Services committee chairman, was one of UMT's past backers who said he does not favor it now. He summed up his position to a reporter this way:

"UMT would call for training perhaps 1,000,000 youths each year who are 18 years old and would cost between four and five billion dollars. It would also require 250,000 officers and men to train them. We can't afford that right now."

(Gurney's cost estimate was higher than those the administration has made in the past. It has said several times such a program would cost about \$2,000,000,000 a year.)

Plant At Marquette Cited For Pollution

LANSING — (P)—The state water resources commission will consider adoption of notices determining seven communities and one industrial plant as polluters at its Aug. 22 meeting.

The commission's agenda, released today, showed the action was pending against the Cliffs-Dow Chemical Co. of Marquette and the communities of Negaunee, Pontiac, Milford, Marysville, St. Clair, Marine City and Algonac.

Churchill Proposes United Europe Army To Avert War No. 3

By JOSEPH E. DYNAN
STRASBOURG, France — (P)—Winston Churchill urged today immediate creation of a unified European army to defend the west against Russia. He said the west still has a breathing space of about two years which could be used to prevent a third world war.

Britain's wartime prime minister introduced a formal motion to the European consultative assembly—lower house of the unofficial parliament for a United Western Europe—asking for such an army "subject to proper Democratic control."

He said the most effective deterrent to war was American superiority in atomic weapons plus Russia's success in building an empire without committing herself to war.

"The use of this (atomic) weapon," Churchill said, "would shake the foundations of the Soviet empire throughout the vast areas

BEHIND THE SCENES — One of the chief Russian advisers to the North Korean military leaders is believed to be Col. Gen. Terenty Shtykov, whose headquarters is near the Communist capital of Pyongyang. Observers believe much of the Reds' early success in the Korean fighting was due to Shtykov's advice.

Dismantling Of All German Industry To Be Completed Oct. 1

By BRACK CURRY
FRANKFURT, Germany — (P)—Western Allied authorities said today that the dismantling of German industry will be completed by Oct. 1 except for one plant.

This coincided with authoritative reports that America, Britain and France are considering the industrial rearmament of the Ger-

mans to bulwark the western defense system.

Needed For Defense
Occupation officials said there has been no slackening of dismantling since the Korean war erupted. However, the tense international situation has forced consideration of the role German industry could play as a producer of west European armament.

Thus while one group of Allied officials is pushing dismantling to a conclusion, another group is exploring ways to use German industry to shore up western Europe against the Communist threat.

Allied officials said the dismantling program is so nearly completed that a stoppage now would have no effect on west Germany's industrial potential.

It is in steel, the sinew of war, that Allied dismantling has been most sharply felt by the Germans.

Allied officials said that about 6,000,000 tons of steel capacity has been lost to the Germans through dismantling. A capacity of about 14,500,000 tons has been allowed to remain, but production is limited to 11,000,000 tons a year.

Converted To Weapons
Allied experts in Germany now are discussing removal of the present limit on German steel production to help European rearmament and to stimulate economic recovery.

The Goering plant was built solely as a war project. It could produce 700,000 tons of steel a year, Allied officials say. The Allies decided not to remove the plant from the dismantling list because it was designed exclusively to build up German war potential and was uneconomical to operate in peace time. It was a plant in which steel not only was manufactured but also was converted into war weapons.

Reed City Pair Slain From Ambush; Elderly Gunman Tries Suicide

REED CITY, Mich. — (P)—A husband, Roy, 45, were injured, and a woman were shot and killed from ambush here last night and their elderly assailant tried to slay himself.

The shootings posed a mystery for this quiet little central Michigan community.

Slain by shotgun blasts were Mrs. Donna Poling, 33, and Ray Nehmer, also 33.

Found In Field
Sixty-five-year-old William Dempe, a neighbor, was found critically wounded in a nearby field from a shot in the head. He was near death today in Reed City hospital.

Two other persons, Mrs. Poling's son, Donald, 15, and her

Another similar note was addressed merely "to my friend."

Mrs. Poling and Nehmer were shot shortly before midnight, as they left a taxicab with Poling and Nehmer's divorced wife, Daisy, at the Nehmers' residence in town.

State Police Sgt. Floyd Peters and Osceola county sheriff Fay Wooster said that Dempe, apparently crazed, had evidently lain in wait at the house.

As the two couples left the cab after a downtown visit, Dempe opened fire, police said.

"Got Four Of Them"
The first shot killed Mrs. Poling instantly. The charge entered her face and neck. Nehmer, shot in the chest, died later at the hospital.

Attempting to wrest the gun from Dempe, Mrs. Poling's son was struck on the head.

One shot struck her husband, who suffered only a slight chest wound, however.

Dempe, however, had been reported "acting strangely" recently, they said.

At the hospital Dempe, while still conscious, was heard to babble: "I got four of them."

He had been found in a field near the house. Part of his head had been shot away by a blast from his 20-gauge shotgun. Four shells had been fired from the gun.

The Nehmers, although divorced, had remained friends, police said.

Michigan Blood Bank Outlined
Every One In State Included In Plan

LANSING — (P)—The idea of setting up a "living blood bank" to include every person in the state was proposed to the state civil defense council today.

The civil defense technical committee on health and medical service yesterday voted to include the plan in its first recommendations to the council.

The "living blood bank" idea was originally proposed to include about 2,000,000 persons, but the technical committee decided to shoot for blood typing every Michigan resident.

Dr. Albert E. Heustis said the program would take on a long range aspect, and that if no atomic attack was made on Michigan, the "living blood bank" could be used in times of natural disasters and other peacetime emergencies. He pointed out the state-wide bank could be kept up to date indefinitely by typing every new baby.

He said it would take two and a half years to complete the program but that long before that time, the state health department would have enough persons typed to provide a substantial pool from which blood could be drawn in case of need.

Mower Blade Cuts Motorist On Arm, Injury Proves Fatal

MT. CLEMENS, Mich.—(P)—Martin J. Calihan, 27, died in a hospital here today of injuries suffered in a freak traffic accident Wednesday.

Calihan's left arm was mangled by the blade of a hay mower, which struck him as he was driving on Groesbeck highway with his left elbow resting on the window ledge of his car.

Wendell Lichtenfeldt, chief assistant prosecutor of Macomb county, said Calihan died of a cerebral hemorrhage brought on by the shock of the arm injury.

Calihan's left arm was mangled by the blade of a hay mower, which struck him as he was driving on Groesbeck highway with his left elbow resting on the window ledge of his car.

Wendell Lichtenfeldt, chief assistant prosecutor of Macomb county, said Calihan died of a cerebral hemorrhage brought on by the shock of the arm injury.

Enemy Battles Right To Edge Of U. S. Airbase

Tanks And Infantry Rushed To Rescue

By RUSSELL BRINES
TOKYO, Saturday — (P)—Red troops last night seized the important port of Pohang on the east coast and fought virtually to the edge of the U. S. airbase to the southeast.

The Eighth army, announcing the fall of Pohang, said the city was in flames as Americans withdrew after a savage night battle. Pohang is 65 air miles north of the main U. S. supply port of Pusan.

Assault Is Surprise
Small U. S. forces battled in the early morning darkness to save the air field which is on a spit about six miles southeast of Pohang.

U. S. tanks and more infantry were rushing up to the rescue of the air field.

Pohang, second only to Pusan itself as a supply port, fell to a surprise Red drive through undefended mountains while the Americans were rolling back the enemy on the extreme southern end of the Korean front.

Red Bridgeheads Erased
General MacArthur's headquarters meanwhile announced that all Communist bridgeheads but one across the Nakdong river on the western front had been erased by American units.

But this one is important. It is a big one in the Changnyong area, 29 miles southwest of the front-line supply base of Taegu.

Here about 6,000 of the enemy, with artillery fire support from across the river, are trying to break out eastward. If they make it they will cut off Taegu from Pusan, 55 miles to the southwest.

The headquarters summary said heavy fighting was continuing in this area.

Trap Still Holds
The Nakdong bridgeheads wiped out apparently were those on the U. S. First Cavalry division front about 12 miles northwest of Taegu.

On the southern front, approximately 1,000 enemy troops battled in a desperate attempt to break out of a trap in the coastal hills southwest of Chinju and about 45 miles or so west of Pusan.

Marines completed the capture of Kosong, south coast port of 50,

Three Young Flint Burglars Free To Enlist In U. S. Army

FLINT, Mich.—(P)—Three 19-year-old offenders held four days on breaking and entering charge were free today to join the Army.

Their release yesterday by Genesee County Prosecutor Leon A. Seidel led Flint police to complain that Seidel was protecting one of them from prosecution because he was the son of a neighbor.

However, the prosecutor said he knew that youth had planned to join the army, and learned that the other two had made similar arrangement so he released them to enlist.

If they don't get in the army, I'll issue warrants for all three, he told Lt. Floyd Sidell, acting detective bureau chief.

The youths involved were accused of breaking into a number of service stations. Police did not disclose their names.

Dutch Volunteer

THE HAGUE, The Netherlands — (P)—The Netherlands government said today it is considering sending 200 marines and 200 infantrymen to aid United Nations forces in Korea. Enlistment will be on a voluntary basis.

Four Teachers Get Contracts

Three Are Men For Grade Schools

The Escanaba board of education in meeting last night approved contracts for four new teachers, including three men who will be employed as teachers in the grade schools.

Supt. John A. Lemmer explained to the board that men are teaching successfully in grade schools in other communities and prove particularly effective in their teacher relationships with boys in the Fifth and Sixth grades. The new teachers are as follows:

Marvin Paffenroth of Oshkosh, Wis., graduate of Oshkosh State Teachers College; John Jirkovec of Manitowoc, also a graduate of Oshkosh; Eugene Riedl of Hortonville, Wis., another Oshkosh graduate; and Diane Gibbons, Hurley, University of Wisconsin graduate, who will also teach in the elementary grades.

Other business before the board included receiving a report on window glass breakage in the schools for the past year. A year ago the board established an "honor system" with sums set aside for each school and the amount not used to replace glass to go to the school building for improvements.

The sum for \$50 each of the grade schools and \$100 for Junior high. Cost of replacing glass in the buildings was as follows:

Barr \$25.58 leaving a balance of \$24.42; Franklin \$20.94 leaving a balance of \$29.06; Jefferson \$7.33 with a \$42.62 balance; Washington \$92.37, no balance; Webster \$40.99, balance \$9.10; Junior High, \$109.90, balance none.

Boys Need Tools To Win In Korea, Not Shave Cream

(Editor's Note: This is the second of two columns comparing the fighting habits of American and North Korean soldiers)

By HAL BOYLE

With U. S. troops in Korea—(7)—One of the tragedies of the Korean war is that America has been able to supply its outnumbered troops with many of the comforts of home—but as yet hasn't delivered enough men or tools to win victory.

They are on the way—but many an American frontline doughboy unit would gladly give up its occasional ration of beer for a few more first aid soldiers or slugging Patton tanks.

"It wasn't this way in the last war," is a typical frontline comment.

Too Few Tanks

The fact there are stacks of tooth brushes and razor blades here but very few modern tanks shows two things about the American soldier and the nation behind him:

1. The soldier likes the comforts and conveniences of peace in wartime so far as they are possible, and his country likes to give them to him.

2. The United States has been in a better position to make its candy bars in mass production. Tanks haven't been mass-produced.

The enemy has fumbled on guns and has been slower than a cheetah on tank tracks. And it is men, guns and rice they have.

"We should have insisted that both sides fight this war with tubes of brushless shaving cream," belched one American tankman. "Then we could have smothered them from the start. It would take them years to catch up with the edge we got in shaving cream."

Cooks Different

This whole situation points up the major difference between GI Joe and the North Korean fighting man. The American fights on a tradition he will have plenty of everything. The North Korean doesn't. He has never known plenty. He has concentrated on the bare essentials of battle.

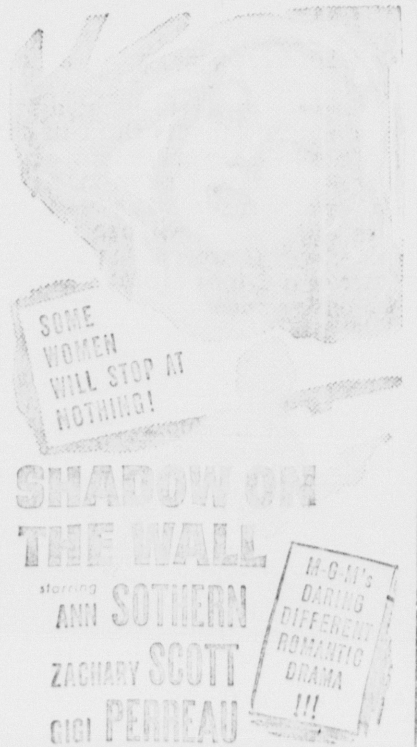

The North Korean can grab up a few balls of rice, his gun and a couple of ammunition bandoliers and take off through the hills and be self-sufficient for days. That is the type of wilderness scouting that used to be typical of the American but no longer is. The Korean is a skinny, bandy-legged fellow who can operate through ranges that would wear out a

this year.
The board of education last night also was officially notified by probate court that it has been bequeathed the estate of the late John P. Norton, owner and founder of the Escanaba Daily Press, to establish the Anna C. Norton scholarship fund. The estate is now in the process of probate.
The board approved Jean Frasier as recipient of the H. W. Roede scholarship after Eunice Fowler informed the board that she could not accept it. Miss Frasier was alternate recipient.
The bid of Lloyd Sodergren of \$1,277 for the construction of steps at the Senior High school was accepted.
President Fred Hirn of the board of education appointed standing committees for the year as follows:
Administration—Harold Crebo, Dr. Louis Groos, Claude Tobin Jr.; Finance—Groos, Charles Folio, C. Gust Peterson; Teachers—Mrs. M. L. Lindquist, Crebo, Folio; Purchasing—Tobin, Crebo, Groos; Buildings and Grounds—Peterson, Lindquist, Tobin.
The Venezuelan state of Bolivar and territory of Amazonas are largely unexplored.
Most of the Orinoco river system in Venezuela is navigable.

PORTRAIT OF CLASSIC BEAUTY

Bradlee by Mohawk

The carved effect of a Bradlee carpet in beautiful, pre-harmonized solid colors is a new adventure in home decoration.
Your practical side will be pleased with its modern texture because it disguises selling creases footmarks.
And you'll love its unbelievable loveliness as it establishes an inspiring foundation for new beauty in your home.

Horse Racing At State Fair

Two Events To Be Held On Aug. 19

Two horse racing events open to Upper Peninsula residents will be conducted at the Upper Peninsula State Fair at Escanaba on Saturday, Aug. 19, at three o'clock.

The first race will be a half mile saddle race and the second will be a half mile Indian bareback race. All horses must have been owned in the Upper Peninsula at least 30 days prior to the races and only Upper Peninsula riders will be eligible.

Riders will draw for positions before the races. No marked horses are eligible and entries must be made with the secretary, Harold P. Lindsay, U. P. State Fair, Escanaba, at least 24 hours before the races.

Cash prizes of \$25, \$15 and \$10 will be awarded. Entry blanks may be obtained from the U. P. State Fair office.

Munuscong Camp At Pickford Has Forestry Program

Sixteen students have completed their first week and have started on their second week at Munuscong Conservation laboratory at Pickford, Michigan. The Laboratory, a cooperative project between Northern Michigan College of Education and the State Department of Conservation, combines an interesting combination of study, field work and social life.

The weeks' work consisted of a study of soil and soil conservation, land use plant ecology, water and water conservation. Friday, Jay Poffenberger, farm planner for Chippewa County, gave pointers on soil conservation, and later, on a field trip, demonstrated good features of soil conservation, and showed the need for these practices.

Monday was spent in the study of forestry. Wesley Lehman, district forester from the department of Conservation, spoke to the class and conducted a field trip to a logging area in the state forest, where he explained different types of cutting and demonstrated good forest management.

The social side of camp life has not been neglected. The recreation committee, composed of Dorothy Lahti of Marquette and Mrs. Betsy Miller of Rexton, planned a birthday party for Audrey Armstrong of Dafer. A marshmallow roast was held Wednesday evening, and story telling and group singing were enjoyed around a council fire, a class project of Mervin Bowerman, Munising, and Rita Underhill, Marquette.

City Skyscraper Staging Comeback In Architecture

NEW YORK—(P)—The skyscraper, long thought to be on the way out, is staging a comeback. Modern office rental rates are changing the minds of architects and building managers about the economic height of buildings.

An interesting example is afforded by a new 42-story structure at 1407 Broadway, New York. Originally planned as a 24-story structure covering all the land area, the design was changed to 42 floors with a base covering only 65 per cent of the land.

Reason for the change, says S. M. Hirsch, president of the building organization, is that tenants are willing to pay premium rentals for light and air afforded in tower floors.

State Fair Will Stage Horse Pulling Contests

As in past years, the lightweight and heavyweight horse pulling contests will be featured events at the Upper Peninsula State Fair in Escanaba.

The lightweight contest will be held Friday, Aug. 18, at one

Review Board Set Up For Deferment Of Navy Reserves

GREAT LAKES, Ill.—(P)—A district review board has been set up at Great Lakes with power to grant up to six months' deferment to certain enlisted navy reservists.

Rear Admiral J. Cary Jones, USN, commandant of the Ninth Naval district, announced formation of the board today. It will review requests for deferment of midwestern naval reserve officers and enlisted men, other than members of the naval air reserve, who are recalled to active duty.

The board will be empowered to grant up to six months' stay to enlisted reservists employed in certain key industries, to college students, and where community health or safety would be jeopardized by immediate recall.

The board may allow officers 15 days' delay, and will also consider cases of severe personal hardship.

Adm. Jones said no requests for deferment should be sent in before active duty orders are received. He said the requests must be initiated within 48 hours after receipt of orders, and should be addressed to the commandant, Ninth Naval District, Great Lakes, Ill.

Reservists employed in key industries should accompany their deferment requests with a statement by their employer accurately describing the employee's duties and indicating why he is essential.

Hardwood Veneer Production Booms

NEW YORK—(P)—A record volume of 4,000,000,000 square feet of hardwood veneers is being produced this year to meet the expanding demand for fancy plywood. The Veneer Association reports that in addition to grain-finished veneers used for furniture, radio and television cabinets, the home building boom has developed an unusual demand for veneer paneling, flush type doors and built-in cabinets.

Hardwood plywood construction of interior walls has received a big boost in the popularity of ranch-type homes. Making larger panels possible, veneers of this type are being used widely for living-room fireplace walls and colonial style kitchen dining spaces as well as for dens and libraries.

Legals

NOTICE TO BIDDERS

The City of Escanaba is desirous of purchasing the following equipment: 2-2-ton trucks with dump body. Standard 4-door sedan. Sealed bids will be received by the City of Escanaba, Michigan, on or before 4:00 p. m., E.S.T., August 16, 1950, in the office of the City Manager at Escanaba, Michigan, at which time and place the bids will be publicly opened and read.

Bidders' Proposal and Specifications can be obtained from the City Manager's Office.

The City of Escanaba reserves the right to reject any or all bids and to waive any irregularities in bidding.

Signed: GEORGE M. HARVEY, City Clerk

Citizens Will Assist Board

Meeting Of School Advisors Aug. 31

First meeting of the Citizens' Advisory committee to the Escanaba board of education will be held Aug. 31 at the beginning of a three-day conference to discuss curriculum, building, and other school problems, it was announced last night at a regular meeting of the board of education.

The board has requested organization of the community to appoint representatives to serve on the Citizens' Advisory committee. Some of the selections have been made and the board is requesting that all of the representatives be appointed as soon as possible and their names submitted to the office of the superintendent.

Dr. L. E. Vredevoe, director of the bureau of school services of the University of Michigan, will bring a staff of about ten specialists to Escanaba to work with the board and the advisory committee and the entire school faculty.

The first meeting will be at 9 a. m. Aug. 31, followed by sessions that day and on Sept. 1 and 2.

Approved by the board as members of the Citizens' Advisory committee were the names so far submitted as follows:

Dr. K. F. Harrington of the American Legion; Atty. William E. Anderson, Bar PTA; Josephine Ryan, Business & Professional Women's Club; Rev. James Bell, city recreation commission; John Boyle, Chamber of Commerce; Clint Dunathan, Daily Press; Mrs. E. H. Niederauer, Escanaba Woman's Club; Mrs. Arthur Kent, Jefferson PTA; Whitney R. Dixon, Junior Chamber of Commerce; William Warmington, Kiwanis Club; M. H. Garrard Jr., Lions Club; Mrs. Roy Swanson, PTA Council; Joseph Lyons, Rotary Club; Jacob Bink, Veterans of Foreign Wars; Mrs. Ben Woodard, Washington PTA; Jack Foster, radio station WDBC.

Special Rates At Fair For Children Planned Two Days

Wednesday and Saturday will be children's days at the Upper Peninsula State Fair and a special rate for rides and shows of 9c each will be in effect on those days until six o'clock.

On Wednesday morning at 11 o'clock a 9 cent morning matinee of the fair grandstand show will be presented for children.

The 9 cent rate for children will be in effect with special coupons available without charge at the Chamber of Commerce office. The coupons will entitle the children to purchase tickets at the reduced rate.

Excavation Reveals Pre-Christian Town

NEW DELHI—(P)—An ancient town believed to have flourished centuries before the Christian era has been discovered in excavations conducted by the government of India archaeological department 15 miles from New Delhi. The excavation was made on a mound covering half a square mile that rises from the plain near the village of Tilpat, south of the capital.

B. P. Lal, superintendent of the project, describes the discovery as one of the most important ever made in India archaeological explorations. Several large ancient buildings have been discovered in the probing excavations and more archaeological wealth is expected to be found below the sub-soil water level.

"Rented the first day" said Smith

For Sale

We have 3 parcels of land left for sale up at Stephens Lake area, all in the National Forest. Located about 80 rods from a public lake. One 13 acre parcel and 2 more smaller parcels. Good roads and good fishing and hunting. All wooded. These parcels must be sold this month. No reasonable offer refused. For directions: follow US-2 to Nahma Junction, then go North 8 miles on Federal Forest Highway No. 13 and follow Stephens Lake signs in.

Statistics On Russian Production Might Lie

By MARQUIS CHILDS
WASHINGTON — Somebody has catalogued falsehood as lies, damned lies and statistics. In the last classification put those glowingly optimistic comparisons of Russian production figures with American production figures.

Nothing could be more phony or more calculated to lull opinion in this country into easy complacency. And at this moment the one thing we really cannot afford is complacency.

Take steel production, for example. A recent estimate puts Russian production for 1950 at roughly 25,000,000 tons. American production is put at 97,000,000 tons in ingot production. This looks good for our side.

Auto Output High
But then look at figures on the production of motor vehicles. A figure currently used for the Soviet Union is 400,000. Whether this includes trucks as well as passenger cars is not clear.

The pre-Korean estimate for this country was 3,000,000 motor vehicles. Car production is still running at this record-high level. Congress has not yet passed a bill authorizing the President to cut the number of passenger cars being made. And when the bill is passed, it will take time to put the cutbacks into effect.

That is the significant comparison — 400,000 against 3,000,000. The number of tractors to be produced in Russia for the current year is put at 99,000.

Of America's mighty 97,000,000-ton steel production, an estimated 2 percent was going to military

uses before the Korean war. That is approximately the rate today, since the speeding up of the armaments program is still in the paper-and-planning stage.

The percentage of Russia's 25,000,000 tons that goes for military purposes is not known. But it would be a safe guess that this is not less than 10 percent and is probably nearer 20 percent. It may be much higher than that.

I saw an estimate recently that the Russian peasant in Czarist days never used more than 5½ pounds of iron in his entire life. This has unquestionably increased under the industrialization of the past 33 years. But the contrast must be striking even today in view of our ownership of motorcars, refrigerators and every other kind of gadget.

Potentials Don't Kill
Obviously, then, our superiority in steel production is only a potential insofar as military strength troops have discovered in Korea, is concerned. And, as American you can't kill an enemy with your potential.

The immediate task is to translate at least a part of this potential into actuality—into tanks and guns and planes. Here again there is certainly no reason for complacency. This process may take much longer than most people have realized.

Some glib talk has been heard to the effect that we are more fortunate this time since production is at capacity levels and everyone is at work. There may be something in it.

But to convert from peacetime to war production could take longer than to start brand-new assembly lines and train new workers. British and French military orders placed in 1940 and 1941 helped get America geared up for war production. The British and French orders could be handled quickly because of the slack in our industrial system at that time.

The fact is that we have excelled the world in the arts of peace; in the remarkable variety and richness of the way most of us have lived. Take as an illus-

tration a comparison of production figures in another category—shoes.

Reds Short On Shoes
A recent estimate for the Soviet Union is 197,000,000 pairs for the current year. For most purposes the population figure for Russia is put at 200,000,000. So there will be less than enough new shoes for each Soviet citizen to have one pair.

Now take the United States. For the first four months of this year production was 148,500,000 pairs, which included playshoes and sandals. That is nearly enough to give every citizen a pair and if production continues at this rate the average will be roughly three pairs to a person.

And, by the way, that doesn't include athletic shoes and slippers, of which about 12,000,000 pairs were made in the United States in the first four months.

If this means one thing above all else it is that time is our priceless commodity. We cannot know in our present state of defenselessness how much time we have. But the more of this priceless commodity that is wasted, the more nearly is disaster invited.

Stonington

Mrs. Ellen Johnson and Mrs. Jennie Hector and son, Harland, have returned to Chicago after visiting with Mrs. Bertha Johnson.

Statistics show that a large proportion of automobile accidents occur at sunset, when cars are heading into the glare of the sinking sun. Headlight glare also raises the number of accidents at night.

VD Exhibit At U. P. Fair

"Since Adam And Eve" Is Theme

A free educational exhibit on venereal disease, entitled "Since Adam and Eve", will open at the U. P. State Fair in Escanaba on August 15 to 20. Sponsored jointly by the Michigan Department of

Marines Will Be Up In The Air

WASHINGTON, D. C. — (AP) — More than 15,000 Marine Corps Reservists are taking to the air this summer in connection with annual maneuvers on both coasts.

This will be the largest airborne movement of reservists in any of the Armed Forces this summer.

Almost 10,000 of the airborne Marines Reservists will be members of Organized Reserve Ground Units who meet once a week in home training centers. Another 5,500 will be Aviation Reserve members including some 400 pilots who will fly fighter planes.

The Reserves will be flown in Marine transport planes based at Cherry Point, N. C. and El Toro, Calif. Nearly 8,000 Reservists were so transported last summer without accident and every safety precaution again will be taken this summer in the various air lifts.

Health and local health departments, the show will bring the basic facts about VD to the minds of five other Michigan fairs including the Saginaw County Fair and Michigan State Fair.

Opening of the show in Escanaba marks the third year of cooperation between State and local health departments in presenting an educational program at fairs. In 1948, Michigan pioneered in showing an educational film on VD to fair audiences totalling 23,000 persons. Since then, at least 15 other States have emulated Michigan in presenting similar programs at their fairs. Last year's attendance at the show, "The Undiscovered", increased to 38,000 persons.

Dr. John A. Cowan, director of the Division of Tuberculosis and Venereal Disease Control, State Health Department, termed the presentation at fairs "an important move in the direction of pre-

venting and of eliminating VD in Michigan." Despite the substantial progress made through efforts of local health departments, VD remains the outstanding serious public health problem in Michigan, according to the State Health Department. Reported cases of syphilis, gonorrhea and other venereal diseases exceed the combined total of most other serious contagious diseases reported in Michigan. In the Upper Peninsula during 1949, there were 192 reported cases of syphilis and 94 reported cases of gonorrhea, according to Dr. Cowan.

Dr. Cowan urged that all persons attending the U. P. State Fair make a point of seeing "Since Adam and Eve". "The nearer we can come to the goal of laying the facts before all our citizens, the closer will we come toward stimulating community-wide action to stamp out VD in Michigan," Dr. Cowan added.

Mrs. Winifred Craig, 1212 Sixth avenue south, left this morning for Milwaukee where she will visit over the weekend.

Mrs. K. F. Harrington left today for Chicago where she will meet her brother, Paul. Harrington will motor to Spokane, Wash., to visit with Mr. Carlson's and Mrs. Harrington's sister in that city.

Mr. and Mrs. Med Bush and family returned today to Racine after visiting at the Ed McNellis home, 217 North 16th street, and with other members of the McNellis family.

Jean Santimore, 319 North 18th street, left Escanaba today to visit in Marinette with her sister and brother-in-law, Mr. and Mrs. William E. Harwood.

Betty Divine returned today to Milwaukee following a visit with Pat Flanders, 208 First avenue south.

Mrs. Charles Trumbull and two sons left today for their home in Las Vegas, N. M., after a three weeks' vacation spent at the home of Mrs. Trumbull's sister, Mrs. Courtney Christiansen, 940 Stephenson avenue.

Mildred Van Drese, 1321 First avenue south, left today for Milwaukee to visit with her parents, Mr. and Mrs. Herman Van Drese, Marion Turner, 207 North 14th street, left today for Green Bay for a brief visit.

Gary Pater, 1423 Stephenson avenue, and Tony Kutches, 1607 Stephenson avenue, left this morning for Chicago where they will meet Gary's father and attend a Chicago-Cleveland ball game.

Mr. and Mrs. Raymond Pepin, 1615 Fourth avenue south, returned last night from a vacation trip to the Copper Country and the Porcupine mountains. They visited in Duluth with relatives and at Shell Lake with friends.

Prof. John B. Ham of Wittenberg college, Springfield, O., arrived in Escanaba to visit with his brother, Sam Ham, 815 South 10th street.

James Hurley has returned to Chicago following a visit with his parents, Mr. and Mrs. George Hurley, Old State Road.

Ronald Layman, former Escanaba resident, now living in Dearborn, is visiting with his grandfather, George McGuire, 421 South Seventh street.

Mrs. Theresa Dougherty has returned to Detroit after a visit with her sister, Mrs. J. D. Murray, 410 South Ninth street, and with relatives in Ishpeming.

William Moras, Jr., has returned to Milwaukee after visiting with his parents, Mr. and Mrs. William Moras, 907 South 10th street.

Norman Kincaid and Miss Emily Kroll of Buffalo, N. Y., are visiting with Mr. Kincaid's parents, Mr. and Mrs. Cordie Kincaid, and other relatives.

Richard Kincaid of Chicago has returned to his home after visiting with his mother, Mrs. James Kincaid, and other relatives.

Ann Rolfe has returned to Chicago where she is a student nurse at Wesley Memorial hospital, following a visit with her parents, the H. J. Rolfes.

Dorothy Culver has returned to Chicago after visiting in Escanaba with Mrs. Bernard Dwyer, 308 South 16th street, and other relatives.

Mr. and Mrs. George Kasson left this morning for their home in Matteson, Wis., following a visit with their son and daughter-in-law, Mr. and Mrs. Merritt Kasson, 202 Lake Shore Drive.

Mrs. Neil Bartley and son left today for their home in Carlisle, Pa., after visiting with Mrs. Bartley's parents, Mr. and Mrs. Frank Sudac, 1302 North 16th street, and with her mother-in-law, Mrs. Olive Bartley, 330 Stephenson.

Mr. and Mrs. Louis Moon and daughter of Sturgis, Mich., and

Dan Pickhart of Kalamazoo have returned to their homes following a visit here with the Harry Pennings, 2309 Eighth avenue south. Mrs. Alice Greene of Detroit is spending several weeks here with the Pennings.

Mrs. Eugene LeClair, 405 South 19th street, and son Louis and Mrs. Peter Guimond and son Vincent have returned from a 12-day motor trip to St. Anne de Beaupre, Quebec, Can. Enroute home they visited Mrs. LeClair's birthplace, St. Pierre, Quebec; and in Detroit with her son, Lawrence LeClair, and her son-in-law and daughter, Mr. and Mrs. John Remski. They returned Wednesday night.

Mr. and Mrs. Melvin Erlandsen and family of Fargo, N. D., will arrive here Saturday to spend a week at the family home, 1019 Sheridan road.

Mr. and Mrs. Warren Smith and daughter Susan are visiting here with Mr. and Mrs. Med Beaudoin, 306 South Ninth street. Mr. and Mrs. Smith have been attending college in Manhattan, Kan., the past year.

David Anthony, who was here for the wedding of Miss Rachel Anthony to George Mansur Tuesday, left Thursday by plane for New Rochelle, N. Y. There he will meet Mrs. Anthony and their two children, Margaret and Tommy, and motor to their home in Alexandria, Va.

Miss Betty DeVine, who was a guest of Miss Pat Flanders, 208 First avenue south, returned to Milwaukee today. She was here for a week.

Mrs. Louis Johnson and Greta and Guerdon Johnson of Spring Lake, Mich., are visiting here with Mrs. Viola Goodman, 204 North 12th street.

Births

Mr. and Mrs. Richard A. Larsen, 314 North 20th street, are the parents of a son, born Tuesday, August 8 at St. Francis hospital. The baby weighed six pounds, thirteen ounces and is the third child in the family.

Maria Whitney Maga is the second child and first daughter, born to Mr. and Mrs. John B. Maga, 624 Minneapolis avenue, Gladstone. The baby weighed six pounds, 14 ounces at birth on Wednesday, August 9.

Mr. and Mrs. William Bissell of Newberry are the parents of a daughter, their second child, born Thursday, August 10. The baby weighed seven and one-half pounds at birth.

Dr. and Mrs. C. M. Webster of Tampa, Fla., are the parents of a daughter, Martha Ann, born Sunday, July 20. Mrs. Webster is the youngest daughter of Mrs. A. L. Lang and the late Dr. A. L. Lang of Escanaba.

Dr. and Mrs. Vernon J. Lang of 1207 North 16th street are the parents of a son, Thomas Joe, born Thursday night in St. Francis hospital. He is the second child and second son in the family.

Schaffer

Henry LaVallie has returned to Chicago following a two-week visit at the Clarence Martin home. Lois Jean Martin returned with him to Chicago for a visit.

Mr. and Mrs. Irvin DeChateau and son, Jimmy, of Appleton are visiting at the Joe LeBeau home. Mr. and Mrs. LeBeau and Mrs. Pamela Forrester accompanied them to Iron River where they visited Wednesday with relatives.

Major and Mrs. Paul Fives have returned to Fort Campbell, Ky., following a week's visit at the Eugene Derocher home.

Kenneth Savage and Dick Tounsignant have returned from a business trip to Stambaugh.

Rural Church Notices

Church Events

Free Church Speaker

Rev. Jack Doyns of Arnold again will be the speaker for services in the Bethel Free church at Gladstone Sunday evening.

Indiana became a state in 1816. One-fourth of New York City's water comes from the Croton River.

Lois Schmidt, George Petaja Exchange Vows

Miss Lois E. Schmidt, daughter of Mr. and Mrs. Charles Schmidt, 1212 Third avenue south, became the bride yesterday of George E. Petaja, son of Mr. and Mrs. Waino Petaja, 1909 Fifth avenue south. The ceremony was performed at 4:30 Thursday afternoon at St. Stephen's Episcopal church by the Rev. James G. Ward.

Mr. and Mrs. Charles Schmidt, Jr., attended the couple.

The bride wore a navy suit and a corsage of red roses, and her matron of honor chose an aqua suit and a pink amazon lily corsage.

Mrs. Schmidt chose a gray print dress and white accessories for her daughter's wedding. Mrs. Petaja wore a gray gown with black accessories. Both mothers wore corsages of pink rubrum lilies.

A dinner for 20 members of the immediate family was held at 6 p. m. at the Log Cabin. A four-tiered wedding cake centered the table, decorated with candles and flowers.

The young couple left last evening on a wedding trip through the Copper Country. Mr. Petaja has received orders to report for duty at Kelly Field, Tex., and will leave Escanaba, Thursday, August 17.

The bride is employed at the Harnischfeger corporation in Escanaba.

Newcomers' Club Has Dessert And Bridge Party Here

The Welcome Wagon Newcomers' club held a dessert-bridge party at the Escanaba Golf club Thursday afternoon. Mrs. Ralph Culbertson and Mrs. Leonard Reynolds were hostesses.

Three new members were accepted in the club. Forty members attended the party. Hostesses for the meeting Aug. 25 will be Mrs. Everett H. Knuth and Mrs. S. T. Montambo.

Social-Club

Birthday Party

Sally Olson, daughter of Mr. and Mrs. Roy Olson, 503 South 12th street, was guest of honor at a party honoring her 12th birthday anniversary, Thursday afternoon.

Guests included Mary Moore, Joan, Karen and Betty Johnson. Lunch, highlighted with a birthday cake, was served following games. Sally received several gifts.

Party for Bonnie

Bonnie Ann Forton, daughter of Mr. and Mrs. Robert Forton, 320 South 10th street, celebrated her fourth birthday Thursday, August 10, at a party at her home.

A birthday cake centered the table. Decorations followed a pink and blue color scheme.

Attending the party were Bonnie's grandfather, William Wells, Mr. and Mrs. George Houle, Mrs. Irvin Cashin, and Bobby and Mary Jean Forton, Bonnie's brother and sister.

Double Birthday Party

Susan Schaefer, 5, and Claire

Schaefer, 3, celebrated their birthdays together on Wednesday, August 9. Claire's birthday was August 7, but the two little girls planned a double celebration. The girls are the daughters of the Clarence Schaefer, 512 North 21st street.

Attending the party were David, Dennis and Michael Moberg of Gladstone, Patrick and Michael Gannon, Jeanne Kasbohm, and Kathy and Johnny Svede.

The youngsters received many gifts. Mrs. Clarence Schaefer and Mrs. Richard Moberg were hostesses.

County Nurses

The Menominee and Delta county nurses will meet for dinner at the Dells Monday, August 14, at 7:30 p. m. Guest speaker will be Miss Margaret Shetland, president of the Michigan State Nurses association. Reservations

Trenary

Coffee Social

The coffee social for the benefit of the Finnish Evangelical Lutheran church will be held at the Toivo Maki home Sunday, August 13 instead of August 20.

Personals

The Eino Laine family has moved from Trenary to Diorite, not Detroit as was printed in Wednesday's paper.

Mr. and Mrs. S. Cole, Curtis; Mr. and Mrs. Albert Colburn and family; Munising; Joseph Hopp, Blanche Coy and Mrs. Fred Billing of Milwaukee were recent guests at the Mike Vizona home.

Mr. and Mrs. Norman Methot and son, Billy, have returned to Munising after visiting with Mr. and Mrs. William Fitzgerald.

are to be mailed to Mrs. Norman Anderson, R 1, Escanaba.

VD Protection Plan Outlined

Local Health Units Expand Controls

Michigan's local health departments are expanding and stepping up their venereal disease control activities so that Michigan people will be adequately protected against syphilis and gonorrhea, state health officials said today.

The loss of treatment facilities of the Michigan Rapid Treatment Center at Ann Arbor, which was closed by budget cuts June 30, throws a heavier load on the practicing physicians of the state, but it also places greater responsibility on the local health departments, according to Dr. John A. Cowan, Director of the division of venereal disease control of the Michigan Department of Health.

To help offset the loss of the Rapid Treatment Center, the division of venereal disease control has revamped its program and members of the health department are now making a tour of all the local health departments in the state to assist in the expansion and correlation of local programs.

While it is expected that practicing physicians will play an even broader role in venereal disease control than before, greater emphasis must also be placed on venereal disease education, case-finding, diagnosis, and treatment services of local health departments if the gains that Michigan has made against venereal diseases are to continue, Dr. Cowan said.

The revamped venereal disease control program of the Department of Health calls for: assisting local health departments in intensified education programs; making available to local health departments venereal disease investigators to assist in contact-tracing and follow-up; providing for the services of private consultants who are specialists in syphilology and dermatology for diagnosis of problem cases; and the distribution of penicillin to local health departments for use in clinics and for distribution to private physicians for the treatment of syphilis and gonorrhea.

Mrs. Fredrickson's Father Dies July 22 At Home In Sweden

Mrs. Charles Fredrickson of Soo Hill was informed this week that her father, Carl Moberg, 63, of Smolund, Sweden, died July 22, Mrs. Fredrickson visited her father last November.

He leaves his wife, a daughter in Sweden, Mrs. Fredrickson, and a son, Wilhelm Moberg, author of many Swedish books.

Wilhelm Moberg, who visited in Escanaba two years ago, will leave Sweden Aug. 12 for another visit in the U. S. and will be in Escanaba this summer.

Watson

TODAY'S BIRTHDAY

By AP Newsfeatures

MARTIN HENRY KENNELLY, born Aug. 11, 1887 in the "back of the stockyards" district of Chicago, Nov. 37th mayor of his native city he is known for being a non-machine politician who never held major public office before. He started as an office boy.

MARTIN KENNELLY

New Business Started Here

Will Be Operated By John McCarthy

A new business service to handle bookkeeping, tax compilation and business engineering for small businesses has been started in Escanaba by John M. McCarthy, son of Mr. and Mrs. John J. McCarthy, 322 First avenue south.

McCarthy, who majored in business administration at Ferris Institute in Big Rapids, has been designated a franchised dealer in this city for the Capital Business service of Lansing.

Complete and concise records will be provided for small businesses by the new enterprise, through the use of the IBM machine and the microfilm system. The service is designed to aid small businessmen unable to hire a full-time bookkeeper. Since the service was originated in Lansing seven years ago, it has become national in scope, McCarthy states.

For the past four years, McCarthy has been employed with the department of state in Lansing as an auditor. A graduate of St. Joseph high school, he worked four years in the State Bank of Escanaba prior to enrolling in Ferris Institute. He is a veteran of three and a half years service in the administrative department

Bark River

Mrs. Dewey Meunier, Bark River, R1, is visiting in Green Bay with her daughter, Mrs. Edward Bohachek.

Mr. and Mrs. Morris Fortenberry and children of Oak Ridge, Tenn., have arrived to spend their vacation with Mr. and Mrs. Edwin Bergman jr. Mrs. Fortenberry, is the former Rosellyn Bergman.

Mr. and Mrs. John Stimson of Waukesha, Wis., arrived Sunday for a visit with Mr. and Mrs. Harold McNaughton.

Miss Judith Olson, who teaches in Sault Ste. Marie schools, arrived from Rock Island, Ill., Monday, to visit with her sister and brother-in-law, Mr. and Mrs. Lawrence Bruce. Miss Olson was taking special work at Augustana summer school.

Mrs. Algot Johnson and daughter, Candice, of Ontonagon, were recent guests of the A. E. Johnson's.

Mr. and Mrs. Theodore Farrow left Sunday for Flint where they plan to make their home. Mr. and Mrs. Farrow, who own the Hotel Perket here, have sublet the hotel to Mr. and Mrs. Andy Wadas.

Mrs. W. Saunders and children of Milwaukee are visiting with her parents, Mr. and Mrs. Andrew Dahl.

of the army air force. McCarthy is married and has two sons. His family now is here with him.

LISTEN CLOSELY!

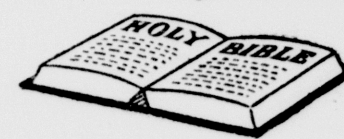

Another weekend is here! Soon the Church bells will again tell us that it's Sunday morning.

How are we to spend this day? A picnic or an outing might be fun, or maybe a visit to Aunt Mary's. Of course, we can turn over and go back to sleep, or maybe we should complete that delayed chore. As individuals, we have these choices to make—and more.

But as human beings whose destiny is guided by a greater power, we have no choice. Our blessings and our very lives have been bestowed and not earned. They have been entrusted to our care while on earth, and they are not ours to squander or to abuse.

If you begin now to attend Church regularly and to support its work, you will want no other choice—for you will be turning an obligation into a great joy. As men and women, it is our divine privilege to dedicate one day each week to the glory of our Benefactor.

Listen to the Church bells ringing on Sunday morning! Listen closely, for this is a day of worship, of prayer and thanksgiving.

THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Marines Not Obsolete, They're Fighting Again

By ROBERT C. RUARK
NEW YORK—We see now in big black headlines the first semi-cheerfulness from Korea, and also that the Marines have called up their entire volunteer reserve. We seem to be fairly glad to have the boys aboard again, to demonstrate, as ever, the value of know-how when you need it.

In light of our present appreciation of the Marines it is wryly amusing to reflect that a few short months ago the decimation of their force, as fighters, was contemplated in Washington. The idea then was to whittle them down to a color-

RUARK

guard status, because in the new push-button warfare we were not apt to need them. Duplication of service, I think it was called by the vast brains in the capital.

This was at a time when we were also deciding that the navy had about outlived itself, except as a transport organization, that the dogface had seen his day. As I recall the words of the air force laddies, the atom bomb and the B-36 could handle anything we had to handle.

Nothing To It
Push-pull! Click-clack! The new World War will be over in a day or so. Push the button and pull the cord, and we'll have the boys out of the laboratories by tomorrow afternoon. The Korean war began on June 25, and it has taken a late-blooming consignment of outmoded leatherheads to spark the first real counter-attack of a six-week-old war.

Germfask

The Gulliver baseball team defeated the Germfask team Sunday by a score of 8-0. Next Sunday Shingletown will play at Germfask. The following Germfask youngsters spent the past week at Camp Shaw: Donna Lawrence, Bruce Gilman, Duane Lawrence, Hope Willson, Gary Musselman, Zara Kertola, Priscilla Peters and Eddie Swisher.

Mr. and Mrs. Robert Squires of Detroit called at the Polimir Lawrence home Sunday.

George Lloyd of Washington D. C. is visiting at the home of his mother, Mrs. Stella Decker.

Mr. and Mrs. Raymond Yutzy and daughter of Sheridan, Mich., spent the past week visiting at the home of Mr. and Mrs. Morrison.

Mr. and Mrs. Wallace Kreiger of Chesaning, Mich., and the former's mother, called on friends Monday. Mr. Kreiger is a former teacher in the Germfask school.

Miss Frances Oakes of Marquette spent the past five days visiting at the home of her parents, Mr. and Mrs. Frank Oakes.

Mr. and Mrs. Harold Settle and children, Mrs. Roy Curtis and children and Mr. and Mrs. Herbert Strandberg and children, of Muskegon, have been visiting at the home of Mr. and Mrs. Norman Losey. Mr. and Mrs. Settle are Mrs. Losey's parents, and Mrs. Curtis and Mrs. Strandberg are her sisters.

Mr. and Mrs. Ted Caffey of Sault Ste Marie who were spending the weekend at Blaney Park, were Sunday visitors at the home of the former's brother, William Caffey.

Mr. and Mrs. Dean Nelson left Sunday for Cadillac where Mr. Nelson will be employed.

Mr. and Mrs. Lee Kimball of Burt, Michigan and Miss Dora Willson of Flint, are visiting at the home of Mr. and Mrs. Ira Willson. Mrs. Kimball is a sister of Mrs. Willson and Miss Willson is a sister of Mr. Willson.

Hermansville

Mr. and Mrs. Tuelio Marana and children of Kenosha spent the weekend at the home of his parents, Mr. and Mrs. Guerinio Marana.

Mr. and Mrs. Joseph Polich and son, Larry, of Stambaugh, visited recently at the home of her parents, Mr. and Mrs. Emil Stockero. Emil Tomasi spent the weekend in Pontiac, Mich., where he attended the wedding of his daughter, Isabel, to Edward Triest of Pontiac.

Ann Louise and Bonnie Fish, James Malone, Robert and George Callaro attended a birthday party held for Allen and Jackie Marana in Powers Saturday.

Mr. and Mrs. Edward La Maide motored to Crystal Falls Monday evening to bring back their daughter, Mrs. Leonard Krajewski and daughter, who had visited with them for the past two weeks.

Mrs. Gerald Welling is visiting relatives in Lower Michigan.

Conservation officer and Mrs. John D. Bagni of Iron River spent Tuesday with her parents, and Mrs. Joseph Rodman, sr.

Wesley Bond has returned from Mt. Pleasant where he attended summer school.

Mr. and Mrs. Martin Procih and daughter, Judith of Chicago, Ill., and Miss Gloria Jean Kure of Berwyn, Ill., visited Monday at the home of Mr. and Mrs. Joseph Rodman, sr.

Mr. and Mrs. Leroy Floriano and sons left Tuesday morning for Coleman, Wis. Floriano will be athletic director in the Coleman high school.

Entertains At Party

Mrs. George Paquette was hostess to 16 ladies at a party Monday evening at the home of her sister, Mrs. Beatrice Fezzate. Prizes were awarded to Mrs. Tony Malone, Mrs. William Rabey and Mrs. Gladys Conard. Lunch was served.

Truck Overturns With 41 Children; 4 Killed

MATTAWAKEAG, Me. — (AP) — A truck carrying 41 singing children home from a picnic went out of control, climbed a roadside embankment and turned over near here last night. Four of the children were killed, all but one of the others injured.

Two adults in the group from East Millinocket also were injured.

Joseph D. Page, 46, told state trooper Raymond Scripture he lost control when blinded by the low rays of the setting sun.

Montan, a valuable industrial wax, is extracted from lignite, a low-grade soft coal.

There is a frightening repetition to the presence of the Marines on Korea. These babies are the same bunch that struggled ashore on Guadalcanal eight years ago to fight the knife-and-carbine war with the Japs, who also knew how to infiltrate and decoy. Those were good Japs, elite troops, on the canal. They were imperial Marines who had their dress blues with them, to wear on Geary St. When they took San Francisco . . . Our Leathernecks were useful then, and will be extra useful now. The 50,000 men who have been immediately called up, and the 30,000 tough boys behind them, are the hard-bitten old-stagers of the Pacific war. They are the seasoned men who can fight you a delaying action while the unwieldy draft gains impetus, and the fresh-faced children are taught the rudiments of staying alive in combat.

Too Much Buck Rogers
If it tells you nothing else, the reversion to foot-soldier, bayonet, foxhole-and-fall-back war, greatly disputes the wisdom of our military wiseheads who got so enmeshed in intra-mural strife that they were willing to sacrifice practically for political expediency.

We were the big production kids, the A-bomb and H-bomb boys, the round-the-globe-airplane, all-purpose Buck Rogerses, but I hear tell it will take up two years to get that good tank into practical use—and that only half a dozen of the effective big bazookas were immediately available on Korea.

This foul-up on that muddy peninsula ought to have preached a bitter lesson, which we may do well to remember, amidst the mouthings of the scientists and the political appointees and new-fledged experts and high military officials with both eyes pinned beadily on appropriations.

So long as wars are fought, we will need an even balance in force. So long as wars are fought we will need sailors and soldiers and marines and airmen. The bayonet is still an important weapon, and no one segment of the weapons, bigger than any other branch, and no self-seeking politico, be he civilian or military, is any wiser about the future's needs than the last batch of guys who struggled through the mud and the blood.

The Marines, it seems, are back in business again. And all the time they tell us that the marines were obsolete, except for the purpose of pomp, ceremony, and interior decoration.

Garden

Mr. and Mrs. Eugene Bernier Jr., returned here Sunday, bringing the former's sister Elizabeth, now Sister Grace Bernard, and also Sister Marie Michael of the Mother of Sorrows convent at Detroit, for a week's visit with the senior Berniers.

Mrs. Pearl Ward of Escanaba, Mr. and Mrs. James Bright and Mr. and Mrs. Leslie Slagel of Chicago were recent guests of the William Winters.

Mrs. Leroy Wallin and daughters Carole and Linda of Mankato, Minn., and Mrs. Robert McPherson of Rapid River recently visited at the Charles and William Winters home.

Mrs. Bernard Bodette and infant daughter Suzanne Lynn returned from the Manistique hospital Saturday.

Mrs. William Maxwell of Thompson is spending several weeks at the home of her brother Bernard.

George Granger of Mt. Morris, Howard Glen, Dolphine LaGrove and Collins Pardee of Flint, Finn Pardee and Eva McClellan of Barton City, Robert Williams and his children of Lincoln, Mich., were guests during the past week at the Carroll Tatrow home. They were called here by the death of Mrs. Marie Pardee.

Mrs. Mary McPhee returned to her home here Sunday with Mr. and Mrs. Ray Bero and son Pat of Escanaba, with whom she had spent the past week.

Fifteen members of the Kate's Bay Home Economics club enjoyed a picnic Thursday at Rapid River and attended a movie. This closed their activities for the season.

Richard and Norman LaBute of Detroit visited a few days here with their mother. They were accompanied by Mrs. Clyde Headfield and children, Carol and Stevie who stayed at the Delor Beaudry home in Manistique.

Mrs. Caroline Williams, four children, Carol, Karen, Judith and Richard and Alexander Stephenson returned to Lincoln, Mich., Saturday after attending the funeral of Mrs. Marie Pardee.

Legals

August 4, 1950 August 18, 1950
STATE OF MICHIGAN
The Probate Court for the County of Delta.

At a session of said Court, held at the Probate Office in the City of Escanaba, in said County, on the twenty-first day of August, 1950.
Present: Honorable William J. Miller, Judge of Probate.
In the Matter of the Estate of Joseph P. Laviolette, also known as Peter J. Laviolette, Deceased.
Elizabeth Ellison, administratrix of said estate, having filed in said Court her final administration account, and her petition praying for the allowance thereof and for the assignment and distribution of the residue of said estate.

It is Ordered, That the twenty-ninth day of August, 1950, at ten o'clock in the forenoon, at said Probate Office, be and is hereby appointed for examining and allowing said account and hearing said petition.
It is Further Ordered, That public notice thereof be given by publication of a copy of this order, once in each week for three weeks consecutively, previous to said day of hearing, in the Escanaba Daily Press, a newspaper printed and circulated in said County.
WILLIAM J. MILLER, Judge of Probate.

A true copy.
MARIE D. PETERS, Register of Probate.

Guardsmen To Bivouac Here

Leave Saturday A. M.
For Camp Grayling

The national guard army and its environs are the scenes of activity very much out of the ordinary today.

Approximately 200 guardsmen from five different Upper Michigan guard units are being bivouaced here tonight and at early dawn will set out for Camp Grayling for the annual encampment.

Included in the groups are members of units from Calumet, Marquette, Ishpeming, Escanaba and Manistiquette. Some will sleep in tents, others in trucks, but most of them will roll their bedding on the floor of the trucks. They will be fed at local restaurants.

Leaving with the Manistiquette unit will be about seventy officers and men which is an unusually high percentage of the guard roster. Capt. Ed J. Doyle, in command of the local company, stated the employees of the local members for their cooperation in permitting the men to take out two weeks from their work to attend camp.

The troops are leaving by motor convey.

Pays Fine For Issuing Rubber Check In City

L. L. Mitchell, of Benton Harbor, pleaded guilty Tuesday morning in local justice court to a charge of passing a worthless check and drew a fine of \$100.

Mitchell had paid Mrs. Anna Miller, of Manistiquette, a check for \$200 to pay on an invoice and the check, when cashed was found to be worthless. He was arrested upon her complaint.

The fine, costs and \$200 were paid.

Junior Baseball Teams Make Clean Sweep With Victory

The Manistiquette Junior baseball team made a clean sweep of a double-header with the Houghton Junior team from Houghton, Michigan, in the first game, the Manistiquette team, won, over the Houghton team by a score of 7-1. Common scored a double, and the Manistiquette team scored four runs in the bottom of the first inning. The Manistiquette team scored four runs in the bottom of the first inning. The Manistiquette team scored four runs in the bottom of the first inning.

Timber Staging Big Comeback In Hiawatha National Forest Area

Visitors to the Manistiquette area are often told that Schoolcraft county is settled, with one or two exceptions, along the shores of Lake Michigan and the rest is a wilderness.

That is not exactly true, even though there are a good many game trails in the county that are well traveled. Thanks to state and federal forestry control there is no wilderness, in the strict sense of the word, in entire Schoolcraft county.

Few people realize how comprehensive is the supervision of these hills and miles of land left waste after the loggers had slashed through it and after the settlers who followed and tried to make a living on it gave up the effort as a lost job.

Forestry Control Back Schoolcraft county forests are definitely staging a comeback and while the days when huge white pine trees dominated the scene are perhaps gone forever, the potential wealth of the timberlands will in time exceed that of the original stand.

The Manistiquette district of the Hiawatha National Forest, maintained under the supervision of E. R. Cook, is a noteworthy example of what is being done to make these wooded lands productive.

This district, most of which lies in the western part of Schoolcraft county, covers an area of about 100,000 acres of which 110,000 acres are owned by the federal government and the rest is owned privately. Most of the privately owned acreages are resort lands or hunting cabin sites. The forestry department makes no effort to restrict the use to which private land is put except to include it in the present forest land in guarding forest land against fire.

Fire Protection Most of this area when taken over was a timberland wilderness, much of it had been ravaged by fire and was literally a timberland wasteland. These denuded areas are being reforested. About 10,000 acres have been replanted to date and plans call for planting of 3,500 acres more. These areas are planted with Norway pine, spruce and jackpine, according to soil and other conditions for which the particular lands are best adapted.

In other areas, where there remains a natural stand of trees, the forestry service is dependent to some degree on natural planting.

Second Growth Beautiful There are some stands of second growth timber in areas located over more than five years ago that have now taken on the appearance of primitive forests. Each year these tracts are subjected to a limited amount of logging-off. The trees to be cut are marked by the forester and the cutting and transportation of the logs is also under his strict supervision. The catholic value of the lands is an important consideration in this department and these woods, if more easily accessible to the public, would be show places of the first order to the tourists who glory in big trees and silent places.

Bird Sanctuary Several hundred acres of open land is allowed to remain as it is in order to serve as a bird sanctuary. Mr. Cook is not sure that intended results have as yet been realized, but the open land, with choke cherry, mountain ash and other trees and bushes bearing fruit on which birds thrive, are being encouraged.

Many Miles of Roads In order to make every part of the area accessible to the tourists in the event of any emergency, roads have been built to all parts of the forest area. There are 112 miles of road in the preserve. Fifty miles of this network are in good shape for ordinary travel and the rest are in the nature of truck trails. There are some other trails that were in use during the CCC camp days, but have gone into disrepair since then. The most important road in the system is being temporarily disconnected while a bridge over the Indian river is being constructed. This is the road which connects the Thunder Lake road with Highway M-24 at Jackpine Lodge.

This road is very popular with local fishermen and tourists who visit here from year to year. It passes through some of the best fishing in the area. There are a number of hunting lodges located along the trail.

The new bridge is a three-span affair, recently five feet in length. It is of heavy construction, timber construction and is capable of sustaining loads of 25 tons.

Many Purposes Served Mr. Cook is very anxious to point out that the reforestation of the area is by no means the only consideration in the national forestry program. The maintenance of a wilderness, the provision of recreational facilities and the protection of wildlife are matters of practically equal importance, he says.

With a good stand of timber to conserve the natural moisture of the Upper Michigan climate, the danger of forest fires and during of labor and disaster is averted.

Four Campsites Beside the natural recreational facilities that abound, the forestry department is maintaining four campsites in locations of unusual localities. These are at Swan Lake (between better known Camp 7), Cedar Lake, Little Lake and Indian River. A building (meant to be constructed) of these camps is in order. They are under finished and now, eventually become down at the head and run down.

Enthusiastic Local People This national project means considerable to this area as a source of employment. Before Mr. Cook and his assistant J. C. Hanson, the department employs a seasonal help. Game wardens, forest guards, and other personnel are employed in the spring and fall with tree planting.

Perhaps it is not generally known that the National Forest Department is willing to cooperate with those who would like to build summer cottages in the area. Suitable sites have been selected which will be located on a twenty-five year lease at a rental of about \$50 per season. The cottages must conform to regulations governing these constructions, which, among other things, prohibit the use of wood in construction and the use of oil stoves.

There are several such cottages in the Stoughton area.

City Briefs

Mrs. William Brockman has been notified of a change in address of her son, Pic. Frank Barber, that indicates he is bound for the Korean front.

Visitors to the John J. Bellare home this week are Mrs. Frank Poffel of Spooner, Wisconsin, and Miss Flora Ann Chisholm of Virginia, Minn. Also visiting for a short time was Rev. Lomas of St. C. Oile, former Methodist minister in this city.

Mrs. Edith Miller of Chicago has returned to her home after spending a week here with her mother, Mrs. William Johnson, Schoolcraft avenue.

Miss Eva Jean Gould, daughter of Mr. and Mrs. Jack Gould, is here for Mr. Morris where she will spend a vacation with friends.

Mr. and Mrs. T. Hofer of Chicago have returned to their home after spending last weekend at the home of Mr. and Mrs. Tom Shumaker.

Al King and his mother of Mt. Morris were recent visitors to the home of Mr. and Mrs. Jack Gould.

Miss Lovell Olson and daughter, Sue Ann and Green, are spending a week in Marquette visiting with Mr. and Mrs. Jack Gould.

Mr. and Mrs. David Bant and daughter Beverly have left for a week's vacation in Calumet.

Dear Is Cause Of Mishap On Highway M-24

Lawrence Sablack, Rt. 1, Manistiquette, was injured and his car was badly damaged in a motor mishap on Highway M-24 Tuesday night.

Sablack, in company with Russell Williams were driving in the vicinity of Jackpine Lodge late at night when a deer dashed across the road immediately in front of them. In attempting to avoid hitting the deer, Sablack lost control of the car and it crashed into the ditch.

Both occupants of the car sustained cuts and bruises which were treated by a doctor who happened to be stopping at Jackpine Lodge at the time.

Legionnaires To Fete Guardsmen

The local American Legion post will sponsor a dance to be held Friday evening at the Legion hall in honor of the National Guardsmen who are leaving Saturday for a two-week encampment at Camp Grayling. Guardsmen from other U. P. towns who will spend the night here on their way to the camp will be the honored guests at the dance.

Briefly Told

Beauty — All members of the Knights of Columbus are requested to call at the Charles Rademaker home at 551 Manistiquette avenue, this evening at 8 o'clock, to recite the Rosary.

Qualifying Rounds Must Be Turned In Says Golf Pro

Don St. Cyr, pro at the Indian Lake Golf and Country club, has announced that the qualifying rounds for the annual men's and women's tournament must be turned in to him by August 20 for the entries to be eligible for play. Entries are required to qualify. Also on the agenda at the Indian Lake is a mixed foursome tournament this coming Sunday, starting at 1:30 p. m. This tournament will be conducted under handicap play and will also feature a hole-in-one competition on the 155 yard 6th hole.

An inter-club match last Sunday was highlighted by an Eagle 2 on the 345 yard No. 3 hole by John Kaum.

Social Indian Lake Golf & Bridge Club — The Indian Lake Golf and Bridge Club held a 1 o'clock luncheon Tuesday at Arrowhead Inn. Mrs. Lena Nicholson was the hostess. Prizes in bridge went to Mrs. Howard Holland, high, and Mrs. Vm. Pease, second. The luncheon next Tuesday will also be at Arrowhead Inn at 1 o'clock. Mrs. L. R. Fomey and Mrs. R. Willie will be the hostesses. Members planning to attend are asked to contact Mrs. Willie before Monday noon.

Choose Queen Here Tonight

Will Represent City In Fair Contest

Selection of "Miss Gladstone" to represent Gladstone in the Queen contest at the Upper Peninsula State Fair next week is to be made at a dance for teenagers this evening at the Legion hall. It is announced by Herman Hough, Hough, president of the Gladstone-Sid club, sponsors of the dance.

Ordinarily, the queen of Gladstone's winter carnival represents this city in the Upper Peninsula State Fair contest. However, Miss Dolores Hall, last year's winter queen, who went on to win the honor of being queen of the Fair in the contest at the U. P. Fair contest several years ago, is Miss Dolores and as a result is not eligible to compete this year.

Both Miss Hall and Judy White, Upper Peninsula State Fair queen in 1949, will be guests at the Fair next week.

All Gladstone girls are invited to compete for the honor of representing Gladstone at the State Fair.

Selection will be made by a group of judges at the dance being held from 9 to 12 o'clock this evening.

Chief Marlier and his band will play the dance program.

Fayette

Mr. and Mrs. Francis Bacon of Chicago are spending several weeks at their summer home at the former Camp Marlier board, Burnt Bluff.

Mrs. Charles Arnold, fractured her right arm when she fell while working on her yard house. She was taken to Manistiquette for medical care.

Mr. and Mrs. Josiah Pothing, home of Detroit came Saturday to spend two weeks with the families of their daughter, Mrs. Herbert Watchorn, and son, Stephen.

Classified Ads cost little but do a big job.

Hit-Run Driver Fined In Court

Must Also Pay For Damage To Auto

Wallace Posenke, 24, of Route 1, Rock, pleaded guilty to a charge of leaving the scene of an accident upon arraignment before Justice of Peace Oliver C. Estenson last evening and was fined \$20 and costs.

Posenke admitted he was the driver of the auto which the night before struck and damaged an auto owned by Wilbur Rivers which was parked in front of the Rivers home on Minnesota avenue.

Night Policeman Fred Moran spotted a speeding auto on the main street the same evening and noted the license number.

A Bureau check revealed the auto was owned by Daniel Pischel of Cornell and investigation on Wednesday by sheriff's officers revealed he had loaned the auto to Posenke the day before and Posenke had not returned it.

Posenke reported to local police Thursday afternoon and was arraigned.

In addition to the fine, Posenke must pay for damages to the Rivers auto.

Mission Sunday Will Be Observed

District mission Sunday is being observed this weekend at the Mission Covenant church at which time the Misses Matilda Erickson and Alvira Dahlberg will be the speakers at both morning and evening services. Motion pictures portraying mission work are to be shown at the evening service.

The U. S. Department of Agriculture recommends the insecticide toxaphene for ticks, lice and hornflies on all livestock except dairy cows.

Red Sox And Loans Meet Tonight In Big Classic

If you folks are looking for excitement tonight, put on your suits of armor and get yourselves some good seats at Memorial field near the fairgrounds.

Better get there early, too, because there'll be plenty of competition for the seats.

The softball "game of the year" will be tonight at 9:15 as part of the third round of the district softball tournament.

It will be between two local "softball giants"—the Liberty Loans and Harnischfeger Red Sox.

There are several reasons why this is THE game. In the first place, the two teams are natural rivals. In the second, both have lost one tournament game so far—which means that tonight's loser is out of the tournament.

And, to add fuel to the flames, the Red Sox are angry at the Loans for adding Bob Dufour and Tom St. Germain, a couple clever softball players, for the tournament. It was done legally, since the two were on the Loans' roster by deadline time. But the Red Sox call it "loading up" since the two have been playing baseball with the Bears all year.

Homers Win Games

On other games tonight at Memorial field, Nuway Cleaners meet Lundstroms of Manistique at 6:30; Larmays meet the Merchants at 7:45 and Larry's of Gladstone meet Electrowoods of Spaulding at 10:30. Starting at 6 o'clock tonight at Royce Park, Ensign and Kiwanis will finish playing the seventh inning of their game which was called last night with the Ensign crew leading, 10-9. At 6:30, Power and Light will tangle with Gladstone Lions at Royce park.

Last night, the Loans were upset by White Birch, 8-5, when Clint Marenger socked a homer with two on in the last of the sixth inning. Bob Anderson had hit a homer for the Loans in the first with one on.

In another exciting game, Jim Kenneally hit a sixth inning homer on the first pitch to give Hughes Motors a 3-2 victory over a classy Carney team.

A passed ball in the seventh gave Escanaba Steam Laundry a narrow 8-7 victory over Stonington.

On other games last night, Maple Grove defeated St. Thomas by 10-8; Gladstone Lions defeated Harnischfeger White Sox, 9-5; and Gladstone Marble Arms won on a forfeit from the Manistique Paper company.

Jim Baker got three for four, including a home run in the fifth, as Clairmont Transfers trounced Flat Rock, 15 to 5 in a game that also was featured by a Clairmont triple play with the bases loaded in the second inning.

Al Watrous Is Favorite

ADRIAN — (P)—Veteran Al Watrous, despite his 51 years one of Michigan's most feared golfers, started out today after a seventh state open title.

The defending champion was favored over more than 100 of the state's best linksmen in the 26th annual tourney, a 72-hole grind over the Lenawee county club course.

Watrous, Oakland Hills pro who first won the Michigan open in 1926, is still going strong and hopes to put this one away, too.

If recent performances tell the tale, the 1949 champ should have a fine chance to repeat.

He won the national seniors title last winter, posted scores of 73-74-72-73 in the Motor City open and was runnerup a month ago in the Michigan PGA at Midland.

But he's in for some tough competition this year.

Given a good chance to dethrone Watrous is Bob Babbish, Detroit amateur who has been going great guns recently. Babbish topped all Michigan amateurs earlier in the week to earn his sixth crack at the national amateur crown and was top professional in the Motor City open.

Another good bet to cop it this year is Jake Feserke, who copied the title in 1934 and 1935 and is playing on his home course.

Other former champions among the contenders are Emerick Kocis of Pontiac, who won in 1940, and Gib Sellers of Albion, 1941 winner.

CHANGES HOCKEY STYLE

BOSTON — (P)—Hockey fans can expect a different style of play by Boston's Bruins next season—rougher with a tighter defense and a craftier offense. New Coach Lynn Patrick, today told hockey writers he'd "probably change the wide open style because you have too many goals scored against you."

\$20,000 RACE FOR DENVER

DENVER — (P)—The feature event of this year's inaugural race meeting at Centennial Park, Denver's new two-million-dollar plant, is the Colorado Mile on Aug. 26. It will be a \$20,000-added event for three-year-olds and up. The meeting, which brought horse racing with legal betting back to Denver for the first time in 30 years, winds up Labor Day.

Four Escanabans Vie For U. P. Golf Crown

By Bud Stadel

SAULT STE. MARIE—Four Escanaba golfers—including former U. P. champ, Harry (Cooney) Hogan—were in the championship flight as the first round of medal play opened in the U. P. tournament here this morning.

Bruce Christensen of Menominee was low qualifier yesterday with 151 with Hogan second with a 153.

Escanaba golf club won the team title with a score with 820, with Soo second with 825. Escanaba Highland was fifth with 857.

With Hogan in the championship flight were Elmer Swanson, Jr., Gerald Harris and John (Abe) Milkovich.

Escanabans in the first flight were Ron Hirn, Tony Cass, Stan Soderlund, Ray Hirn and Leo Vinge. Cass last week won the U. P. pro-amateur individual title.

In the second flight are Vernon Kolb, Wendell Green and Jim Douglas.

Pinky Burnett, Eddie Gravelle and David Hirn are in the third flight while H. E. Johnson and Bud Stadel are in the senior flight.

Hogan was hitting the ball well yesterday and is one of the tournament favorites.

Tigers Win And Stumble Onward

ST. LOUIS — (P)—The Detroit Tigers were still a little bewitched and bewildered by yesterday's doings in Chicago as five games in three days with the Browns, 3½ games in front of the Indians, who vaulted into second place. The New York Yankees dropped to third place, four games back, by losing 5-3 to Philadelphia.

In getting his 14th victory and his fourth straight triumph, Art Houtteman had one of his poorer days. He was tagged for 12 hits in 8½ innings and fell behind in the 6th inning.

Ironically, the second game was the playoff of a 7-7 tie between the teams on April 30. Yesterday's 6 2/3 inning affair was

another deadlock which meant the game will be played off again on Sept. 9.

The outcome of the twin bill, coupled with Cleveland's 5-4 conquest of St. Louis, left the Tigers 3½ games in front of the Indians, who vaulted into second place. The New York Yankees dropped to third place, four games back, by losing 5-3 to Philadelphia.

In getting his 14th victory and his fourth straight triumph, Art Houtteman had one of his poorer days. He was tagged for 12 hits in 8½ innings and fell behind in the 6th inning.

quite a few batters. He walked

90,000 To See All-Star Game

CHICAGO — (P)—The Philadelphia Eagles, National football league champions for the last two years, and the college all-stars, representing the nation's top college players, meet in Soldier field tonight in the season's first major grid game.

The powerful Eagles, 38-0 winners over last year's group of all-stars, were 14½ point favorites over this year's collegians in the 17th annual game between the professional champions and all-stars.

Cool and cloudy weather was in prospect for the 90,000 fans expected for the grid spectacle at the huge lake front stadium. Kickoff time will be 8:30 p. m.

The pro champions have won nine and tied two of the 16 previous games. The all-stars last win was in 1947, a 6-0 victory over the Chicago Bears. They haven't scored a point in the last two games, blanked 28-0 by the Chicago Cardinals in 1948 and 38-0 last year by the Eagles.

This year's all-star squad has been ranked as probably the best ever assembled. Dr. Eddie Anderson of Holy Cross, head coach of the all-stars, and his staff have worked this year's group of collegians to the limit.

STILL PITCHING — Pvt. Curt Simmons obtained a special pass to pitch for the Phillies while his 28th Division of the Pennsylvania National Guard was in training. The 21-year-old southpaw hopes to get in several more games before his outfit is activated.

Dixie Howell Hurls No-Hit No-Run Game

(By The Associated Press)

Dixie Howell, Minneapolis right hander, inscribed his name in the American association's hall of fame last night in pitching a no hit, no run, 6-0 triumph over Columbus.

It was the 13th victory of the season for the 30-year-old veteran, who played with the Cincinnati Reds and Syracuse of the International league in 1949. The rangy Bowman, Ky., native has lost only one game this season.

Howell walked six and struck out six. It was the first regulation nine-inning no-hitter pitched in Minneapolis in the American association since 1916. Howell, who was with the Cleveland Indians for a short time in 1940, is now the American association's leading pitcher.

Lou Limmer paced a St. Paul 14-hit attack to a 15-7 decision over Toledo. Limmer drove in six runs. He cleared the Saints' park right field wall at 400 feet for a home run and later added a triple. Cliff Aberson drove in three St. Paul runs with an inside the park homer.

League leading Louisville smothered last-place Kansas City, 13-1.

Pros Threaten To Quit Tam

But That \$49,000 Keeps 'Em

CHICAGO — (P)—Rumblings of a walk-out in the Tam O'Shanter golf tourney had subsided today among some of the big shot pros who, after second thought, decided against shunning \$49,000 in prize money.

A sundown rain storm yesterday caught Bobby Locke, Jack Burke, Jr., Jimmy Demaret and Cary Middlecott among those still on the course.

Promoter George S. May ruled that all scores earlier posted in the first round of his "world" golf championship be cancelled in accordance with his printed regulations governing play.

Twenty-eight pros already had finished their opening shot for a huge \$11,000 first prize. Tommy Bolt, a driving range pro from Durham, N. C., Porky Oliver, and Henry Hanson had two under par 70's to take the lead.

Jimmy Demaret, even par through 15 holes before the storm struck, attempted to act as spokesman.

Changes His Mind

Demaret thought it all was unfair to the other boys who had finished their rounds. Promoter May told him if he didn't like it he could withdraw.

"I wouldn't play in the Tam if a million dollars was the prize," said Demaret later.

He soon found, however, that although some colleagues agreed with him, they would not be stampeded out of the meet. The sum of \$49,000, after all, is the biggest golf pot offered.

So, after a flurry of words in the lockerroom, everything apparently ended in a calm and Demaret was expected to remain among those present.

The most unflinched player of all was Bobby Locke, who pocketed \$2,500 Wednesday for winning the All-American pros' meet in a playoff with Lloyd Mangrum.

When the rain came, Locke had driven from the 18th tee and his ball rested neatly only 135 yards from the last green. He left it there and came in. A par on the final hole would have given him a 70.

OPEN WITH TOLEDO

DETROIT — (P)—The Grand Rapids team in the International hockey league will entertain Toledo to open the league season Oct. 11. Both Grand Rapids and Toledo play 56 games each in the race for runs until March 3, and four other members play 52 apiece.

73 Wolverines Called To Drills

Experience Gone, Says Oosterbaan

ANN ARBOR — (P)—The University of Michigan today invited 73 players to take part in fall football practice opening Sept. 6.

Coach Bennie Oosterbaan coupled the invitation with a warning that "we no longer have the backlog of experienced players built up during the postwar years."

The Wolverine head coach added:

"Consequently we've spent more time surveying the entire group. That meant more scrimmage in spring practice with a higher number of minor injuries."

"That also meant less time for individual instruction and polishing. We do have a number of boys with good potentialities, but most of them need a full year of seasoning."

Twenty-two lettermen were included in the invitational list. Michigan lost 15 lettermen via graduation last year.

Quarterback remains the No. 1 problem of the 1950 squad, with the lack of depth in reserves the second ranking headache.

The 73 invited to take part in the drills include: Dick Aertila, Marquette; Russ Osterman, Baraboo; Ben Pederson, Marquette; and Wayne Melchiori, Stambaugh.

MSC Lands Star Hoosier Cager

EAST LANSING — (P)—One of Indiana's top high school basketball prospects, Keith Stackhouse of Bourbon, Ind., will enroll at Michigan State this fall.

Stackhouse, a six-foot-two-inch forward, was voted the outstanding player in the 1950 Kentucky-Indiana all-star high school game held at Indianapolis in June. Competing against the top prep stars from Kentucky, Stackhouse tallied 26 points to rate the "star of stars" award by vote of press and radio men.

The youth was a standout performer for four years in high school at Bourbon, Ind., and during the 1949-50 season he averaged 25.0 points per game throughout the season as his team won sectional honors.

An excellent student, Stackhouse has been active in 4-H club work in his home town but plans to take advantage of Michigan State's extensive physical education program to enter the coaching field.

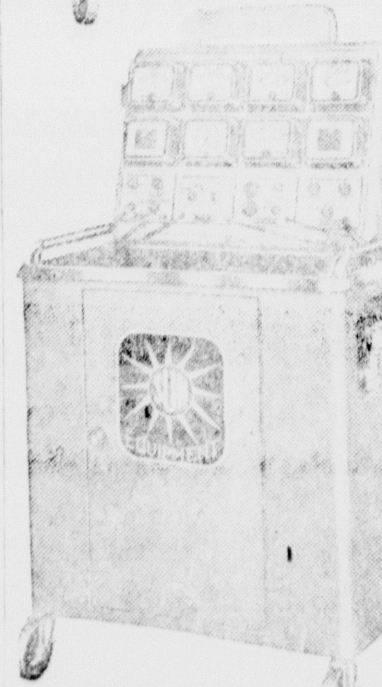

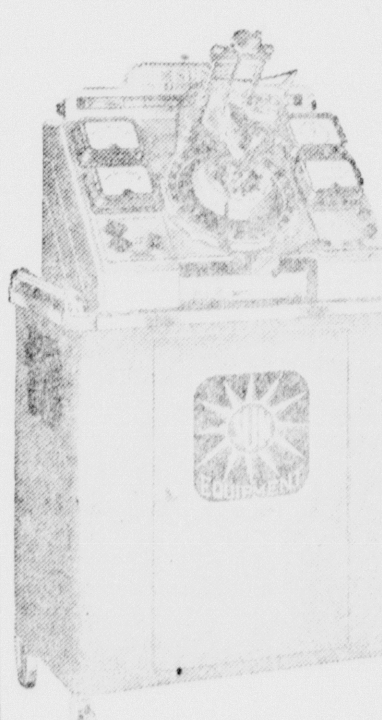

FACES SWEDEN

RYE, N. Y. — (P)—Australia faced Sweden—the final stumbling block in its march to the challenge round—in the interzone final of the Davis cup competition today.

St. Joe Gridders To Meet Monday

Tom St. Germain is a busy man these days.

He's coaching the Bears' baseball team, playing on the Liberty Loans softball team in the district tournament. And right in the middle of it all, he is starting football activities.

St. Germain has called the first meeting of his St. Joe high school football team for Monday morning at 9:30 and wants all veterans and newcomers to be present. Physical examinations of players will be made at that time and equipment will be issued.

Two practices will be held daily from 9 to 11:30 a. m. and from 2 to 4:30 until school starts.

St. Joseph lost eight seniors from last year's squad but has the makings of a formidable group of returning lettermen.

They include three regular backfield men. Quarterback Bill Baker and Lethal Pete Kutches, both juniors, Right Half Don Paulin, a senior. Only backfield man not returning is big Jack Miron, fullback, who left yesterday for the Notre Dame university prep school at Chattanooga, Tenn. En route, he will see the Philadelphia Eagles-College All Star game in Chicago tonight.

Schedule Given

Other returning lettermen include: Guards Clyde Kurinski, a sophomore, and Robert Pepin, a junior; tackles, Harlon Pepin, a sophomore, Dick Casey, a senior, John Martinac, a sophomore, and Ervin Paulin, a senior who may be converted to fullback; and ends, Wayne Papineau and Al Dufour, seniors, and Jim Gravelle, a sophomore.

The Trojans have an interesting eight game schedule lined up, with four, and possibly five, games under the lights at Memorial field. The fifth game—the opening game of the season with Gladstone Sept. 9—is Gladstone's

"home game" but the Braves are considering having it played here under the lights.

After the Gladstone game, the schedule will be as follows: Sept. 16—Florence, Wis., 8 p. m. Sept. 23—Bark River-Harris 8 p. m.

Sept. 30—Lourdes, 8 p. m. Oct. 7—At Norway. Oct. 14—At Crystal Falls. Oct. 21—At Munising. Oct. 28—Stephenson, 8:30 p. m.

Schroeder "Ready" For Davis Cup Play

NEWPORT, R. I. — (P)—Ted Schroeder predicted today he'll be "ready" if picked to help defend the Davis cup for Uncle Sam.

The country's top-ranking amateur expressed resentment at reports he is being "favored."

"It makes me so mad I go out on the court to show I can still play pretty good tennis,"

Schroeder yesterday reached the semi-finals of the Newport invitation tournament by scoring a hard-earned 6-4, 6-4, 7-5 triumph over Vic Seixas of Philadelphia. Art Larsen of San Leandro, Calif., upset Herbie Flam of Beverly Hills, Calif., 6-4, 3-6, 6-3, 6-4.

Druetzler Wins Race In Sweden

GOTEBORG, Sweden — (P)—Warren Druetzler, Michigan State college track star, won the 1,500-meter run yesterday as a team of leading Americans took top honors in the first half of a two-day inter-national meet here.

The Americans swept five of six events before more than 6,000. Druetzler's winning time was three minutes, 56.2 seconds.

Jim Konstanty

(By The Associated Press) Jim Konstanty, the Phil's rubber armed reliever, looks like the most important single factor in the National league race. As long as Jim holds up, the Phils should ride high.

Soldier Curt Simmons is supposed to continue the job of cooling off the sizzling New York Giants tonight. Chances are Konstanty will be in the final box score.

When Konstanty replaced bonus Bob Miller in the eighth inning of last night's 6-5 win over the Giants he made his 51st appearance of the season. The Phils have played 108 games. It hardly seems possible that Jim missed 57.

Konstanty won't miss many of the last 46 down the pennant stretch. After the Phils finish with the Giants Sunday, Boston invades Philadelphia. They then shift to New York before starting their last western swing, Aug. 22.

Singles by Gran Hamner and Andy Seminick and a game-losing throwing error by center fielder Bobby Thomson gave Konstanty his ninth victory in the 10th inning.

Sam Jethroe

Preacher Roe knocked out in the eighth, saved his 15th win while Johnny Sain, going the route, suffered his eighth loss. He has won 16.

Home Run Barrage

Pittsburgh broke a 10-game losing streak by blasting Chicago, 7-1, Ralph Kiner, Wally Westlake and Clyde McCullough hit homers in the four-run fourth as the Cubs dropped into a seventh-place tie with idle Cincinnati. Kiner's home was his 31st of the year.

In the American league Cleveland smothered home a 5-4 winner over St. Louis. Bob Lemon hit two line drives to back up his 13th victory.

Detroit added a half game to its lead now measuring 3½. Cleveland, not New York, now is in second place. But the Tigers missed a chance. After whipping Chicago, 15-6, they were held to a 1-1 tie in the second game, called by darkness in the seventh inning.

Philadelphia dropped New York into third place by a win in their series opener. Alex Keller earned his second win with help from Len Bielecki in the ninth.

Arcaro Homecoming Less Than Happy

DETROIT — (P)—Jockey Eddie Arcaro's return visit to the city where he once rode as an apprentice wasn't exactly triumphant last night.

Eddie rode four horses at the Hazel Park track and each time the crowd of 12,332 made him the favorite. But he didn't bring in a winner.

Penaway, with betting odds of 4-5, just squeezed into third place. Sickle's Image got second money in the Hoop, Jr. purse, after being favored 2-1.

Railway Tieup Threat Eased

Truman Action Bars Strike For 60 Days

WASHINGTON—(P)—President Truman today stepped into the labor dispute between 26 short-line railroads and workers represented by 16 non-operating unions.

He signed an executive order setting up an emergency board to investigate differences which the president said threaten to deprive the country of essential transportation service.

Mr. Truman's action has the effect of preventing a strike for a period of 60 days.

Under the order each of the carriers involved will be given independent consideration in the investigation of the complaints involved.

The railroads include the Copper Range railroad and the Escanaba and Lake Superior Railroad Co. in Michigan.

The unions include the International Association of Machinists, the International Brotherhood of Electrical Workers, the Sheet Metal Worker International Association, the Order of Railroad Telegraphers, and the International Longshoremen's Association.

Army Calls Unassigned Reserve Captains And Lieutenants To Duty

WASHINGTON — (P) —

The Army announced today that it is calling up to active duty—whether they like it or not—7,862 reserve captains and lieutenants who are not assigned to units of the organized reserve corps.

The officers, all men, will be on active duty by Oct. 6, the Army said. They are being ordered up for 21 months, subject to change by Congress, unless relieved soon.

The Army said simultaneously that it will recall involuntarily 1,582 male officers of the active and inactive medical, dental, veterinary and medical service corps.

Bus Strikes Crimp Transportation In New York, St. Louis

(By The Associated Press)

Strikes by bus drivers crippled transportation Friday in New York and St. Louis. A walkout of AFL painters employed on a new atomic plant project at Oak Ridge, Tenn., threatened to disrupt government plans to speed its completion.

The New York bus strike, which inconvenienced about 100,000 riders Thursday, spread Friday as more drivers joined the walkout. They rejected a return to work plea by Michael J. Quill, International president of the CIO Transport Workers Union.

Quill termed the stoppage a "wildcat strike by misguided men. The company said the strikers, who claimed dirty windows and windshields created a safety hazard, had an ulterior motive and threatened to sue the union for breach of contract.

In St. Louis, some streetcar and bus drivers struck against the St. Louis Transit System in defiance of state seizure. Eleven bus lines were out of service. People waited in vain for transportation.

The transportation tieup resulted from a wage dispute between the company and the AFL Electrical Street Railway and Motor Coach Employees Union. The lines were seized by Gov. Forrest Smith at 11:55 p. m. last night, five minutes before a deadline set for a strike by the union.

Canadian Railways Face Strike Aug. 22

MONTREAL — (P)—Canada's railway chiefs prepared today for a nationwide rail strike Aug. 22. They asked union leaders to meet with management today to plan maintenance of essential services. Representatives of 15 international unions and two Canadian unions rejected the railroads' "final offers" yesterday. The unions are asking a 40-hour week instead of the present 48, with pay increases ranging from seven to 10 cents an hour for 124,000 workers affected.

The railways offered either a 44-hour basic work week with a 9.1 per cent increase, or a plan netting employees a flat eight and one-half cents an hour raise.

West German Reds Get Double Rap; Newspaper Banned

BONN, Germany — (P)—West German Communists faced a double-barrelled crackdown today at the hands of both Allied and German authorities. The interior ministers of 11 West German states agreed yesterday on prohibition of two major Communist meetings planned in the Allied sectors. They discussed means of outlawing Communism in the west but decided such a move would have to be made by a federal constitutional court being set up by the Bonn regime.

At the same time western Allied authorities banned the biggest Communist newspaper in

This call-up will affect officers up to the grade of major in the medical and medical service corps, lieutenant colonel in the dental corps and major in the veterinary corps.

The company grade officers being recalled include 1,003 captains and 6,054 lieutenants in 16 arms and services. A week ago it announced the recall to active duty of 62,000 reserve enlisted men, to report in September and October.

The Army did not say so, but presumably the officers being called up will help to fill the officer complements of National Guard and organized reserve units being summoned to active duty.

The Fifth army, embracing Illinois, Indiana, Michigan, Wisconsin, Missouri, Iowa, Minnesota, North Dakota, South Dakota, Nebraska, Kansas, Colorado, and Wyoming will call up 394 captains, 1,411 lieutenants, 133 medical, 97 dental, 8 veterinary and 76 medical service officers.

Officers in the general arms and services must meet age and physical requirements. In the combat arms—engineers, signal, infantry, armored, field and coast artillery—the age limit for second lieutenants is 30, for first lieutenants 35, and for captains 41.

In the general services, such branches as adjutant general, chemical, ordnance, quartermaster, finance, security and intelligence—the age limit for second lieutenants is 33, for first lieutenants 41 and for captains 45. Officers overage for combat arms may be ordered to active duty in the service branches.

Enemy Battles Right To Edge Of U. S. Airbase

(Continued from Page One)

000 population 20 miles southeast of Chinju.

The situation was grave on the eastern part of the front in the Pohang area.

A spokesman at Eighth Army headquarters in Korea announced the fall of Pohang. He said that by 10 p. m. Friday (7 a. m. Friday, Eastern Standard Time) there were no friendly troops inside the city.

Associated Press Correspondent Hal Boyle at the front said the air strip to the southeast was fighting for its life. The Communists brought up artillery within range.

Fighter planes blasted the attacking enemy with rockets and machinegun fire. The fighters left the air field for safety elsewhere through the night.

Boyle said Red guerrillas were only a mile and a half from the field.

A reinforcing column of U. S. tanks and South Korean troops was reported nearing the field and ready to join the defense.

The Reds held a ridge only 3½ miles from the runway when the Mustangs had to give up the battle because of darkness. The planes went to other airfields in Korea for the night.

As darkness set in, two American colonels with cooks, clerks and other normally noncombatant air force ground personnel dug in for night battle on the field.

AP correspondent Hal Boyle at the airfield reported there was no word of knowing how long the battle might continue.

Western Germany, the Duesseldorf Freies Volk. The paper was charged with "printing matter prejudicial to the prestige and security of the Allied forces." It was the third Red newspaper to be shut down in West Germany in the past week.

Local Golfers Win Matches

Four Advance In Title Flight

Four local golfers in the championship flight of the U. P. tourney at the Soo won their morning matches.

They were Harry (Cooney) Hogan, who won 3-2; Abe Milovich, who won 3-2; Gerald Harris, who won one up and Elmer Swanson, who won 5 and 4.

In the first flight, Ronnie and Ray Hinn, Tony Cass and Leo Vinge were defeated but Stan Soderland won.

In the second flight, local winners were Vern Kolb, and Jim Douglas while Wendell Green and Jim McCoy, (former department store manager in Escanaba) lost.

Dave Hinn won in the third flight but Pinky Burnell and Ed Gravelle were defeated.

H. E. Johnson won in the senior division but Bud Stade was defeated.

Briefly Told

Council Meeting — A special meeting of the Escanaba city council will be held at 4 p. m. Monday.

Seek Gleason — Escanaba and Gladstone police, to noon today, have been unsuccessful in locating a Leo G. Gleason, who is sought by relatives in regard to an emergency message. He is traveling in a 1950 green car, license number GK 1326.

Football Star Slain In Foley, Ala., Feud; Farmer, 45, Accused

FOLEY, Ala.—(P)—A well-to-do-truck farmer was held today on a murder charge in the gun-slit killing of a star Gulf Coast high school football back.

Sheriff Taylor Wilkins blamed a neighborhood feud for the fatal shooting of 18-year-old Rex Beech and the critical wounding of his brother, Joe Beech, 21.

Clarence Walters, 45, surrendered to Foley officers after the gunplay and was placed in jail on a murder charge.

Wilkins said previous trouble between the neighboring families preceded the fatal outburst. He said Walters related he fired when members of the Beech family advanced on him in a threatening manner.

The dead youth was an outstanding member of the 1949 Foley high school football team. He was reported to have accepted an athletic scholarship to a Mississippi college.

Liquor Commission Too Lenient, Senate Inquiry Indicates

LANSING — (P)—In questioning the Liquor Control commission chairman and the chief enforcement officer, a senate investigating committee yesterday developed the themes that the commission lacked set policies and that it was too lenient.

Chairman John J. Kozarek admitted there was no set schedule of penalties. He said each case was different and a schedule was impractical.

Walter M. Noack, commission enforcement chief, said leniency of the commission had resulted in the reassignment of a liquor enforcement officer of the Ann Arbor police department to "more effective duties."

He said when the commission dismissed a charge of selling to a minor against an Ann Arbor licensee, police chief Casper M. Enkemann took the officer off the liquor detail. Noack said the charge was the fifth against the licensee.

Not Guilty Plea Entered By Embs And Vanlerberghe

George Embs, 616 South Eighth street, and Reynold Vanlerberghe, 311 South 10th street, entered a plea of not guilty to a charge of unlawfully engaging in plumbing and installing plumbing when arraigned on the charge Thursday in justice court.

Judge Henry Ranguette has continued the case until 2 p. m., Aug. 23. Both Embs and Vanlerberghe are represented by counsel. Complaint against the two Escanaba men was signed by R. J. Deguan of this city, state plumbing inspector, on Aug. 5.

The state inspector charges the men unlawfully engaged in plumbing and installation of plumbing, without a master or journeyman plumber's license, without a permit to do so, during the week of July 17-25 in a building in the 400 block of South 10th street.

There is no charge against Embs and Vanlerberghe for their work in connection with the Knights of Columbus addition here.

Wallace Puts Korea War Blame On Russia

NEW YORK — (P)—Henry Wallace blames Russia as the aggressor in Korea and says the U. S. is actually at war with the Soviets.

He says he thinks there is still a chance for peace—but that the United States has lost the initiative and Russia isn't interested.

"I now believe Russia wants to continue the cold war for its own reasons," he said last night in a radio interview over the Mutual Broadcasting System.

"Russia is clearly the aggressor in Korea," he added. When one of the interviewers said "of course, we're not actually at war with Russia there," Wallace broke in: "Actually we are."

Three days ago Wallace resigned from the Progressive party because it refused to back the U. S. stand in Korea.

He was the party's presidential candidate in 1948.

AN OLD RAIL MILWAUKEE—"Like a bird dog on the scent," Football Line Coach Orv Dermody of Marquette university shoves his ears out and his nose up whenever he hears a train whistle in the distance. Dermody was a fireman for the Milwaukee road before his college days, and he admits he still has "railroading" in his veins!

effective duties."

He said when the commission dismissed a charge of selling to a minor against an Ann Arbor licensee, police chief Casper M. Enkemann took the officer off the liquor detail. Noack said the charge was the fifth against the licensee.

Farmer's Wife Awaits Vision

Necedah Woman Says Virgin Will Appear

NECEDAH, Wis. — (P)—Mrs. Anna Van Hoof intends to proceed with her anticipated vision of the Virgin Mary next Tuesday even though her Roman Catholic church bishop is skeptical.

"I must go ahead with it or our Blessed Mother will punish me," the 40-year old farmwife said yesterday.

"If she (the church) doesn't recognize it, then I will have to bear my cross all the harder."

Bishop John Teneay of the La Crosse diocese has forbidden special religious services in this small village on the day when Mrs. Van Hoof says the Virgin will appear to her for the seventh time since last November.

He has termed her claims of apparitions as being "of extremely questionable nature." The prelate reminded Catholics that next Tuesday also is a church holy day, the feast of the assumption of the Blessed Virgin, and that members of his faith must then attend mass.

By his order, St. Francis church here will have only its usual two parish masses.

The Milwaukee road cancelled its planned special trains from Chicago and Milwaukee after the bishop's statement Wednesday.

Before that, indications were that as many as 100,000 persons planned to be present at the farm home.

The National Geographic Society says the hoo constrictor tries to avoid humans.

The Grand Canyon was formed by wind and water erosion.

Car Hits House; Escanaban Guilty Of Reckless Driving

Joyce Vanlerberghe, 21, of 636 North 19th street, entered a plea of guilty to a charge of reckless driving and driving without an operator's license when arraigned this morning in justice court.

The case has been continued for sentence until tomorrow pending restitution for damages. The car she was driving, owned by a Wisconsin person, damaged the lawn in front of the Andrew Erickson home on Stephenson avenue and the Joseph Russell house at 223 Stephenson avenue.

Miss Vanlerberghe told city police she was blinded by lights from an oncoming car. Her car, traveling north, jumped the curb and hit the Russell house. Police report. The accident occurred at 12:37 a. m. today.

Shotgun In Car Brings Fine Here

Howard Brault of Route One, Escanaba, entered a plea of guilt to a charge of unlawfully transporting a 12-gauge shotgun with buckshot in his car between sunset and sunrise, when arraigned in justice court this morning.

He was fined \$15 and court costs by Judge Henry Ranguette. Complaint was made by John G. Maher of Gladstone, conservation officer. Brault was apprehended in Masonville township Aug. 10.

The National Geographic Society says Hans Meyer, in 1899, was the first man to scale 19,565-foot Kibo peak in Africa.
